

LIFETIME GUARANTEE

This guarantee certifies that all **blu™** branded ironmongery is manufactured from 316 Marine Grade Stainless Steel and is guaranteed against any mechanical defect or surface corrosion.

Conditions

- The product must be maintained, checked and cleaned on a 6-monthly basis, or on a monthly basis in aggressive environments, in accordance with blu™ 'Care and Maintenance Instructions', and any moving parts lubricated annually.
- The product only will be replaced, no consequential costs or fitting charges will be considered.
- blu™ 'Care and Maintenance' instructions have been followed.
- Misuse, negligence or accidental damage will render this guarantee null and void.
- Any modifications or repairs carried out by someone other than blu™ will render this guarantee null and void.

Procedure

- 1 Any fault must be reported immediately with an image of the defective part to sales@blu-performance.com.
- 2 R&D will be in contact with you to gather more information as required about the fault or issue.
- 3 Case assessed by R&D and replacement agreed at their discretion.
