## GUARANTEE - TRITUS FLUSH CASEMENT

We hereby confirm that the warranty for TRITUS Hardware components will be 5 years from date of purchase.

The warranty covers defects in workmanship of components and material of components.

If a claim is made and accepted, Coastal will supply free of charge replacement of defective component.

Settlement of any other types of claims will not be accepted.

The warranty does not include defects due to lack of proper maintenance. For proper maintenance, refer to **Tritus Hardware Care & Maintenance Guide**. Coastal may require documented proof of maintenance.

The warranty does not include defects due to any of the following:

- improper operating of the component or window,
- improper installation of the component in the window,
- improper installation of the components/window in the wall,
- nor does it include any other defects caused by conditions outside the control of Coastal.
