

BLU[®]*316 Stainless Steel Hardware Range*

COASTAL
Shaping the future.

ANGLED MITRE

Lever Door Handle on Oval Rose

Range		BLU HARDWARE
Product Code		AML085
Material		316 STAINLESS STEEL

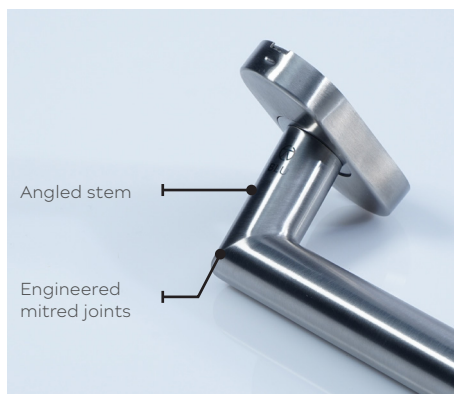

Bring sleek modern styling and engineered strength to your door with the AML085. Its angled, mitred lever delivers a crisp, architectural look, while the oval rose conceals fixings for a flawless finish.

Dual-sprung for smooth, balanced operation, this handle is crafted from solid 316 marine grade stainless steel, built to withstand even the harshest coastal conditions.

ANGLED MITRE

Lever Door Handle on Oval Rose

- **Striking modern design** – angled, mitred lever for a clean, minimalist look
- **Dual-sprung mechanism** – ensures a smooth, solid feel on every use
- **316 marine grade stainless steel** – unbeatable corrosion resistance, perfect for coastal or high-humidity environments
- **Concealed fixings** – clip-on oval rose for a neat, professional appearance
- **Exceptional durability** – engineered to perform and last for decades
- **Part of a suited range** – match with other BLU hardware for a coordinated style throughout the home
