DOCTOR'S
Door Knocker

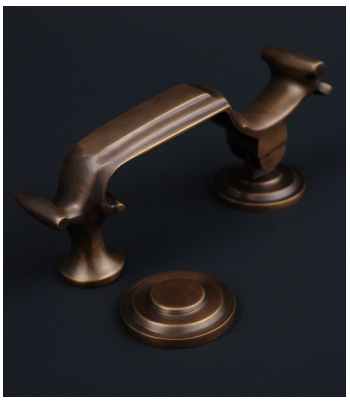

DKB195
Antique Brass Unlacquered

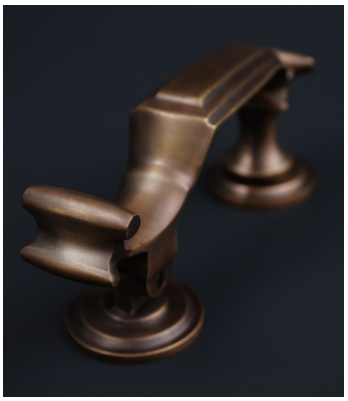

- Named in Georgian times as it was used to identify the front door of the doctor's house in streets around the country.
- Created from recycled solid forged brass.
- Supplied with striker plate and matching fixings for either secret fix (face) or bolt fix.
- Unlacquered antique brass finish is solid brass with no artificial coating.
- Designed to age beautifully, high contact points will lighten, low contact points will darken.
- Part of a suited range of classic door furniture.
