## ROUND BEVELLED ESCUTCHEON

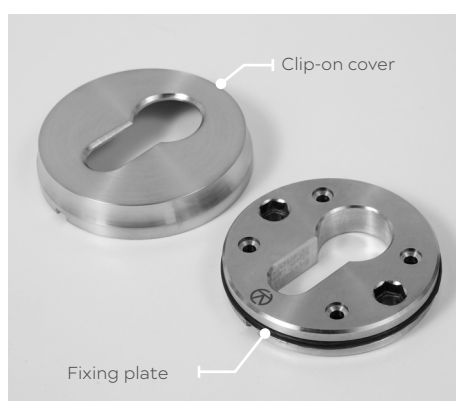

|              |  |                     |
|--------------|--|---------------------|
| Range        |  | BLU HARDWARE        |
| Product Code |  | ESC100              |
| Material     |  | 316 STAINLESS STEEL |

Part of the classic collection, this bevelled edge round escutcheon is designed for traditional front doors and works well with the Opera, Regent and Pera lever designs. Its bevelled profile conceals the keyhole cleanly while adding a subtle, considered detail that sits well alongside period door furniture.

# ROUND BEVELLED ESCUTCHEON

- BLU Classic Round Bevelled Single Escutcheon.
- Push-on outer bevelled edge cover for easy installation.
- Manufactured from anti-corrosion 316 Marine Grade Stainless Steel for strength and durability.
