

BLU RANGE

TRITUS LIFT-OFF BUTT HINGE

Product Code: FH70

LIT-DC-FH70

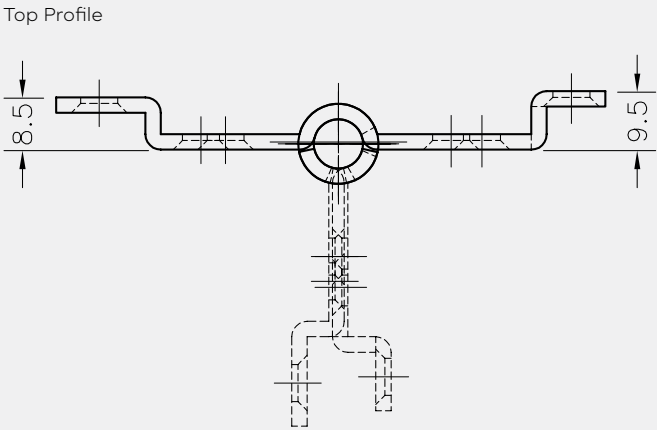

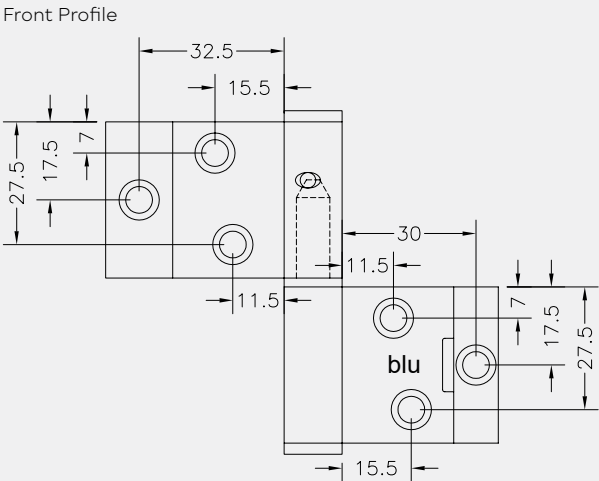

316 Marine Grade Stainless Steel Hardware Range

- High quality lift-off butt hinge with pressed flanges to fit into the Tritus Flush Casement Window grooves
- The 12mm frame groove positions the hinge for extremely quick installation
- Lift-off feature means the sashes can be sent to site after frame installation, and can be easily lifted off for repainting or renovation
- Hinges meet the requirements of BS DS EN 1935: 2002 Grade 9: 25,000 cycles / 60kg
- The FH70 in SSS, PSS & PSB finishes are made from 316 Marine Grade Stainless Steel for longevity and protection against corrosion, ideal for use with acidic timber
- Successfully used in our Part Q Test
- Note these hinges are handed looking from the outside of the building. Use one of each hand for top hung casements
