

BLU[®]

316 Stainless Steel Hardware Range

COASTAL
Shaping the future.

Offset Round Bar Pull Handle

Range		BLU HARDWARE
Product Code		HAB50
Material		316 STAINLESS STEEL

Strong, sleek and built to perform, the HAB50 pull handle adds a refined modern finish to any entrance door. Designed without a central stem, it provides a clean look and is fully compatible with door locking systems.

Offset Round Bar

Pull Handle

- 1200mm total length with 1000mm hole centres – ideal for larger doors.
- High-quality offset round stainless steel 'T' Bar design for a modern, streamlined appearance.
- Heavy-duty 1.5mm stainless steel wall thickness for superior strength and a solid feel.
- No centre stem – eliminates interference with multipoint door locks.
- Manufactured from 316 Marine Grade Stainless Steel for maximum corrosion resistance.
- Perfect for harsh coastal environments or use with acidic timbers.
- Universal fixing method – choose the fixing kit to suit your door type.
- Part of a fully suited range of door and window hardware for a consistent look throughout your project.

HAB50 in Matt Black Lacquer

The matt black lacquer finish features a dual coating paint system with an automotive lacquered, giving improved longevity.

Unlike regular powder-coated finishes, this advanced coating prevents dulling over time.

- UV tested to BS EN ISO 4892-2 for superior weather resistance
- Scratch tested to ISO 1518-1 for a hard-wearing finish
- Corrosion tested to BS EN 60068-2-11 to withstand harsh environments
