Offset Round 'T' Bar Pull Handle

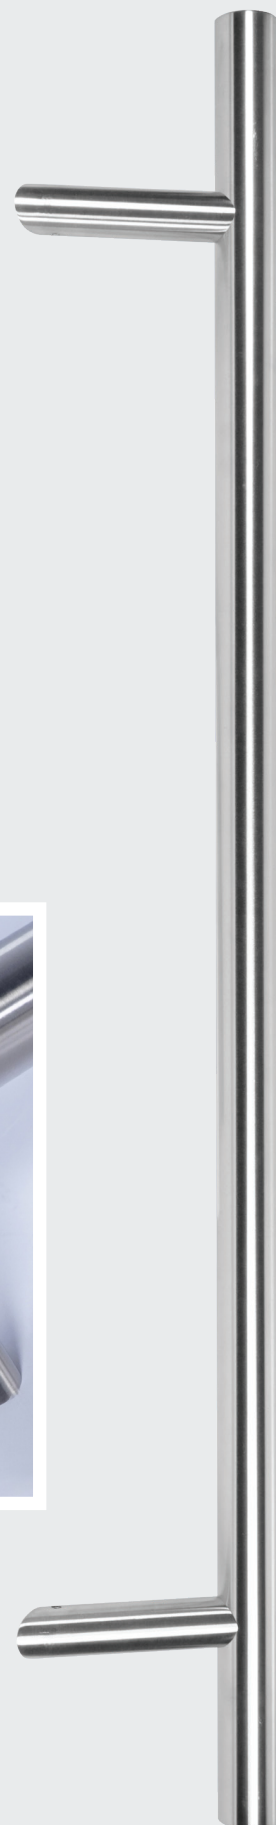

Range		BLU HARDWARE
Product Code		HAB6
Material		316 STAINLESS STEEL

HAB6 400mm shown

Make a lasting first impression with the HAB6 Offset Round T-Bar Handle, a perfect blend of precision engineering and bold design.

Crafted from 316 Marine-Grade Stainless Steel, this front door pull handle won't rust or corrode. It's reliable, comfortable to use and guaranteed for life.

Offset Round 'T' Bar

Pull Handle

- **Offset T-Bar Design** – Provides a modern, ergonomic grip which won't interfere with locking mechanisms.
- **Heavy-Duty Strength** – With a 1.5mm stainless steel wall thickness, the HAB6 looks and feels fantastic, perfect for high-traffic doors.
- **Long-Lasting Stability** – Brass bush fixing ferrules prevent loosening over time, keeping your handle firmly in place.
- **Flawless Detailing** – Extra finishing process ensures a super smooth, high-quality finish.
- **Built for Tough Environments** – Ideal for coastal locations and acidic timber, where corrosion resistance is essential.
- **Versatile Installation** – Four fixing methods to choose from so you can create the perfect look.
