Offset Rectangular 'T' Bar Pull Handle

Range		BLU HARDWARE
Product Code		HAB7
Material		316 STAINLESS STEEL

HAB7 400mm shown

Make a statement with the BLU HAB7 Offset Rectangular T-Bar Pull Handle, a perfect blend of modern design and durability.

Crafted from 316 marine-grade stainless steel, this pull handle is built to withstand harsh conditions whilst adding a contemporary edge to any entrance.

Offset Rectangular 'T' Bar Pull Handle

- **Sleek, Offset Design** – The rectangular T-bar shape provides a bold, architectural look with a comfortable grip.
- **Designed for Functionality** – No middle stem means a clean, streamlined aesthetic.
- **Heavy-Duty Strength** – A 1.5mm stainless steel wall thickness gives this heavy-duty door handle a reassuringly solid feel, perfect for high-traffic entrances.
- **Secure, Long-Lasting Fixing** – Brass bush fixing ferrules prevent the handle from loosening over time, ensuring a firm, stable fit.
- **Super-Satin Finish** – An extra finishing process creates a smooth, refined surface that resists corrosion and adds a premium touch.
- **Engineered for Harsh Conditions** – Designed to withstand coastal environments and acidic timber.
- **Easy, Versatile Installation** – A universal fixing method allows you to choose the right fixing kit for your door.

HAB7 in Matt Black Lacquered

316 Marine Grade Satin Stainless Steel features a dual coating paint system with an automotive lacquer, giving improved longevity. Unlike regular powder-coated finishes, this advanced coating prevents dulling over time.

- UV tested to BS EN ISO 4892-2
- Scratch tested to ISO 1518-1
- Corrosion tested to BS EN 60068-2-11
