BUTT HINGE

SQUARE CORNER

- High-quality, heavy-duty butt hinge for external doors.
- Clean-lined, triple knuckle butt hinge with a 3mm gap.
- Phosphor bronze washers for excellent wear resistance.
- No leaf play ensures an accurate and consistent fit.
- Works well with the Shimwell Hinge Packer System.
- Created from recycled solid forged brass.
- Unlacquered antique brass finish is solid brass with no artificial coating.
- Designed to age beautifully, high contact points will lighten, low contact points will darken.
- Part of a suited range of classic door furniture.
