ERGONOMIC Lever Door Handle on Round Rose

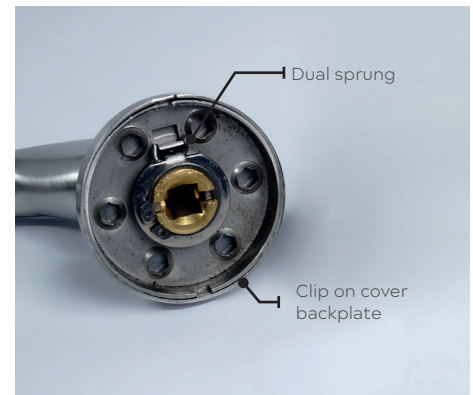

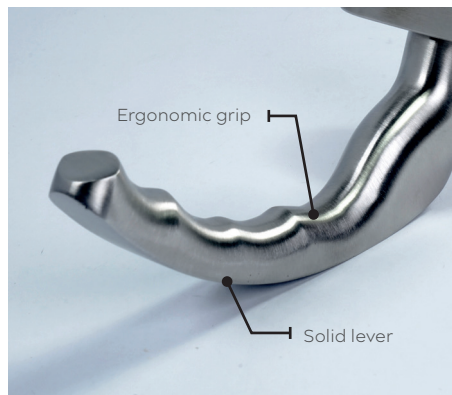

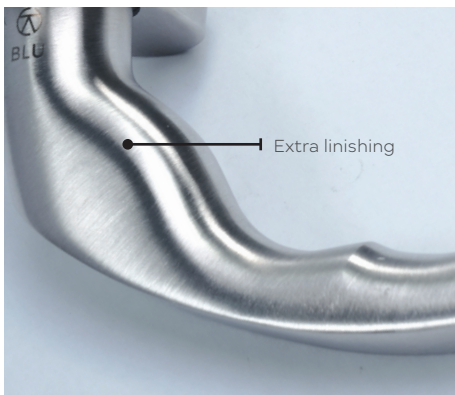

Range		BLU HARDWARE
Product Code		KM035
Material		316 STAINLESS STEEL

Bring both style and strength to your doors with the KM035 ergonomic lever handle. Designed with precision, it offers a comfortable grip, sleek aesthetics and the durability to withstand even the harshest environments.

ERGONOMIC

Lever Door Handle on Round Rose

- Solid, ergonomic lever design for a comfortable, secure grip
- Concealed fixings hidden behind a clip-on round rose for a clean finish
- Solid 316 Marine Grade Stainless Steel construction for exceptional strength and long-term performance
- Highly resistant to corrosion, making it perfect for coastal environments and acidic timbers
- Multipoint lock compatible for enhanced security
- Part of a suited range of hardware for a consistent look across your project.
