

BLU[®]*316 Stainless Steel Hardware Range*
COASTAL
Shaping the future.

RECTANGULAR ESCUTCHEON

Range		BLU HARDWARE
Product Code		KM080
Material		316 STAINLESS STEEL

Designed to add a crisp, architectural detail to modern doors, the KM080 Rectangular Escutcheon delivers a clean finish with long-term performance.

Precision-made and discreetly fixed, it complements contemporary hardware while protecting the door surface around the cylinder.

RECTANGULAR ESCUTCHEON

- Contemporary rectangular escutcheon for euro profile cylinders
- Clean, minimalist design enhances modern doors
- Concealed fixings behind a clip-on cover for a seamless appearance
- Manufactured from anti-corrosive 316 marine grade stainless steel for strength and durability
- Ideal for coastal environments and for use with acidic timber
- Part of the BLU suited range of premium door and window hardware

Matt Black Lacquer Finish

The matt black lacquer finish features a dual coating paint system with an automotive lacquer, giving improved longevity. Unlike regular powder-coated finishes, this advanced coating prevents dulling over time.

- UV tested to BS EN ISO 4892-2 for superior weather resistance
- Scratch tested to ISO 1518-1 for a hard-wearing finish
- Corrosion tested to BS EN 60068-2-11 to withstand harsh environments
