

BLU[®]*316 Stainless Steel Hardware Range*
COASTAL
Shaping the future.

SQUARE (Large)

Door Knob

Range		BLU HARDWARE
Product Code		KM120
Material		316 STAINLESS STEEL

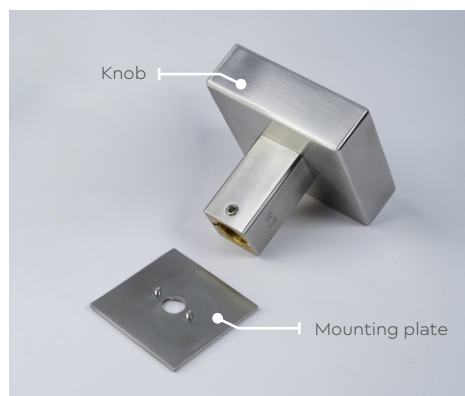

With clean, architectural lines and reassuring strength, this striking centrepiece is equally at home on modern new-builds and high-end renovations.

SQUARE (Large)

Door Knob

- Fixed large square centre door knob in a modern, contemporary design
- Crafted specifically for timber doors
- Can be configured as a back-to-back pull set (requires 2 × KM120 door pulls and back-to-back fixing kit)
- Made from 316 marine grade stainless steel for exceptional durability
- Performs brilliantly in high-corrosion environments, including coastal areas and doors with acidic timber
- Part of a matching range of external door and window hardware for a coordinated look
- Remember to purchase an appropriate fixing kit at the point of purchase
