CLASSIC

Sleeve Letter Plate

- High-quality front door letter plate designed to suit and classic style front doors.
- Built-in inner security flap helps prevent 'fishing'.
- Suits door thickness of between 44 to 68mm, if you require a thicker door thickness, you can purchase the LP400-EXT, which is a telescopic plastic extender to extend the door thickness up to 88mm.
- Manufactured from recycled solid forged brass.
- Unlacquered antique brass finish is solid brass with no artificial coating.
- Designed to age beautifully, high contact points will lighten, low contact points will darken.
- Part of a suited range of classic door furniture.
