CONTEMPORARY - INLINE-ANGLED Window Espagnolette Handle

The SST100 window handle is the perfect blend of durability and style, crafted from solid 316 marine-grade stainless steel to ensure exceptional resistance to corrosion and wear. Its contemporary design is simple and sleek, adding a touch of elegance to any window.

- High-quality, contemporary Window Espagnolette Handle.
- The slim inline profile makes it ideal for slimline casement windows.
- Lockable for added security.
- Manufactured from solid 316 Marine Grade Stainless Steel.
- Ideal for use where corrosion levels are high such as in coastal environments and with acidic timber.

Finishes Available

PVD Coating

Our 316 Marine Grade Satin Stainless Steel with a PVD coating applied to it to give a distinctive finish providing excellent aesthetics for both contemporary and traditional styles.

The PVD (Physical Vapour Deposition) coating provides an additional extremely hardwearing protective layer to the hardware.
