OPERA

Lever Door Handle on Bevelled Backplate

Range		BLU HARDWARE
Product Code		TBH092
Material		316 STAINLESS STEEL

The Opera lever handle on bevelled backplate is a refined blend of classic elegance and modern precision.

Designed to complement traditional doors for more classical look, it features a slimmer chamfered-edge backplate and bulb-shaped lever handle with concentric rings.

OPERA

Lever Door Handle on Bevelled Backplate

- Upgraded design – sleeker, taller backplate, fully sprung with a custom-made dual spring cassette for smooth operation
- Timeless, rounded style – the bulb-shaped handle offers a comfortable grip and refined look
- Built to last – CNC machined, manufactured from 316 marine grade stainless steel and built in the UK for long-term durability and corrosion resistance
- Enhanced security – an extended cylinder wall helps protect against water ingress and tampering
- Seamless coordination – available with matching window handles for a consistent look across your home or business

A timeless design, built for performance, the Opera lever handle on bevelled backplate comes with a lifetime guarantee.

Matt Black Lacquer

Matt Black Lacquer Finish

The matt black lacquer finish features a dual coating paint system with an automotive lacquer, giving improved longevity. Unlike regular powder-coated finishes, this advanced coating prevents dulling over time.

- UV tested to BS EN ISO 4892-2 for superior weather resistance
- Scratch tested to ISO 1518-1 for a hard-wearing finish
- Corrosion tested to BS EN 60068-2-11 to withstand harsh environments
