Enhance your windows with the Opera Casement Stay, a perfect blend of classic elegance and modern durability.

Featuring the signature Opera-style bulb design with concentric rings, this stay matches the Opera range of external door and window hardware for a seamless high-end look throughout your home.

# OPERA

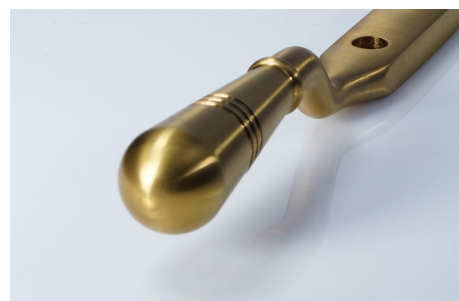

## Casement Stay

- **Refined Design** – The distinctive bulb-shaped handle with concentric detailing adds a touch of traditional craftsmanship to your windows.
- **Two Size Options** – Choose from 8-inch or 11-inch stays to suit your window size and design preferences.
- **Durable & Corrosion-Resistant** – Manufactured from high-quality premium 316 Marine-Grade Stainless Steel for strength and performance.
- **Smooth & Secure Operation** – Engineered for effortless operation while keeping open windows firmly in position.
- **Complete the Look** – Pair with the matching Opera espagnolette handle for a fully coordinated window hardware set.
- **Engineered for all environments** – Made from materials that resist coastal environments, inner city pollution and acidic timber.

For a casement stay that blends design with functionality, the Opera Casement Stay is the perfect finishing touch for your windows.

### PVD Coating

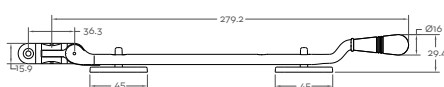

Our 316 Marine Grade Satin Stainless Steel with a PVD coating applied to it to give a distinctive finish providing excellent aesthetics for both contemporary and traditional styles.

PVD black finish has been successfully salt spray tested to 1000 hours, test: ASTM B117-2019.

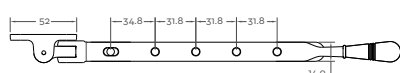

*The PVD (Physical Vapour Deposition) coating provides an additional extremely hardwearing protective layer to the hardware.*
