WING

Lever Door Handle on Round Rose

Range		BLU HARDWARE
Product Code		WH900
Material		316 STAINLESS STEEL

The WH900 lever handle combines design with durability, making it an ideal choice for modern doors. Its gently sweeping lines are carefully crafted to provide a comfortable, ergonomic grip well suited to contemporary homes.

WING

Lever Door Handle on Round Rose

- **Comfort in every touch** – Smooth, flowing design ensures an ergonomic feel that's both stylish and practical.
- **Streamlined finish** – Fixings are concealed behind a clip-on round rose for a clean, professional look.
- **Built to endure** – Manufactured from 316 Marine Grade Stainless Steel for exceptional strength and corrosion resistance.
- **Perfect for harsh environments** – Designed for coastal locations and acidic timber where corrosion levels are high.
- **Reliable performance** – Durability tested to BS EN 1906:2012, achieving Grade 7 with 200,000 cycles.
- **Multipoint lock compatible** – Suitable for use on a wide range of doors, including those with multipoint locking systems.
- **Part of a suited range** – Match with complementary hardware to achieve a cohesive finish throughout your project.
