| Range        |  | BLU HARDWARE        |
| Product Code |  | WH990               |
| Material     |  | 316 STAINLESS STEEL |

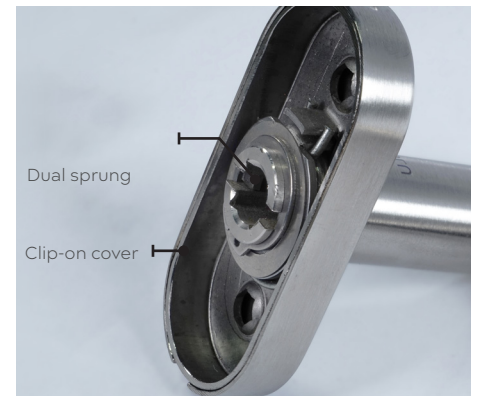

The WH990 brings together comfort and performance in a striking wing-shaped lever design.

With its smooth, sweeping lines, this handle not only feels comfortable in the hand but also enhances the look of any modern door.

# WING

## Lever Door Handle on Oval Rose

- **Ergonomic comfort** – Wing-shaped lever offers a natural grip and effortless operation.
- **Clean, refined finish** – Fixings are hidden behind a clip-on oval rose for a seamless appearance.
- **Marine-grade strength** – Manufactured from solid 316 Stainless Steel for unmatched durability and corrosion resistance.
- **Built for harsh environments** – Ideal for coastal areas and use with acidic timber where corrosion levels are high.
- **Multipoint lock compatible** – Designed to work seamlessly with multipoint door locks.
- **Tested for performance** – Salt spray tested to EN 1679:2000, Grade 5 – 480 hours of proven durability.
- **Part of a suited range** – Pair with matching hardware to create a consistent, high-quality finish throughout your project.
