Shaping the future.

REGENT

Lever Door Handle on Bevelled Backplate

Range		BLU HARDWARE
Product Code		REG092
Material		316 STAINLESS STEEL

PVD Stainless polished brass shown

The Regent lever handle on bevelled backplate is a perfect blend of style, precision, and durability.

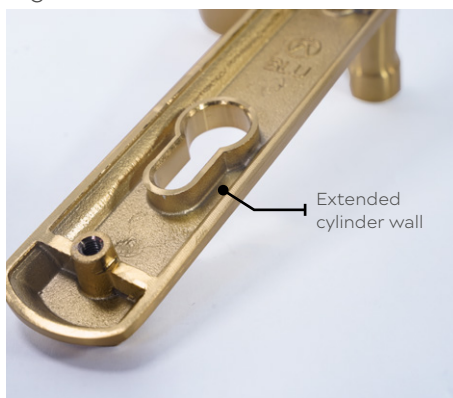

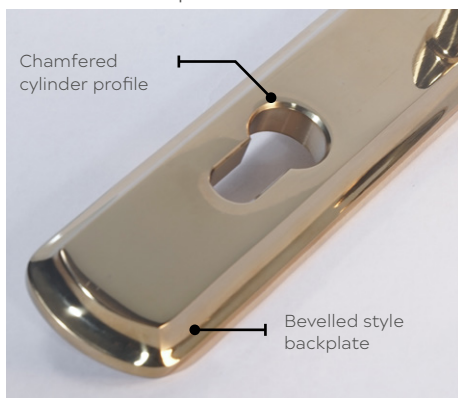

Building on the success of previous designs, this enhanced handle offers a sleeker look and improved performance.

REGENT

Lever Door Handle on Bevelled Backplate

- Upgraded design – slimmer, taller backplate and fully sprung with a custom-made dual spring cassette for smooth operation
- Elegant, ergonomic shape – inspired by the smooth lines of an oar, the wave-like curve of the lever handle leaves a great impression
- Built to last – CNC machined, manufactured from 316 marine grade stainless steel and built in the UK, ensuring consistency and corrosion resistance
- Enhanced security – extended cylinder wall helps protect against water ingress and tampering
- Seamless coordination – available with matching window handles for a consistent look

A timeless design, built for performance, the Regent lever handle on bevelled backplate comes with a lifetime guarantee.

Matt Black Lacquer

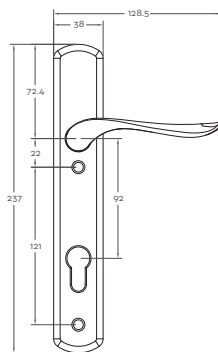

Matt Black Lacquer Finish

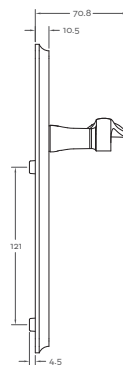

The matt black lacquer finish features a dual coating paint system with an automotive lacquer, giving improved longevity. Unlike regular powder-coated finishes, this advanced coating prevents dulling over time.

- UV tested to BS EN ISO 4892-2 for superior weather resistance
- Scratch tested to ISO 1518-1 for a hard-wearing finish
- Corrosion tested to BS EN 60068-2-11 to withstand harsh environments
