PERA

Bulb End Lever Door Handle on Bevelled Backplate

Range		BLU HARDWARE
Product Code		PER092
Material		316 STAINLESS STEEL

The Pera lever handle on bevelled backplate combines sleek simplicity with outstanding durability.

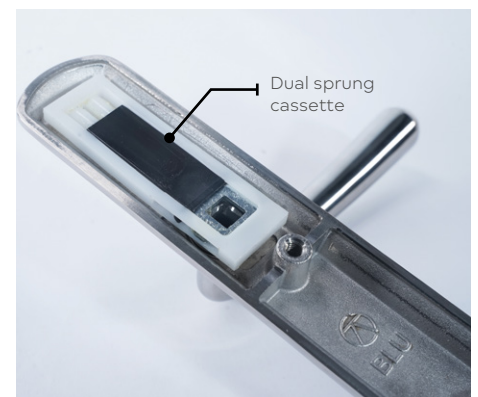

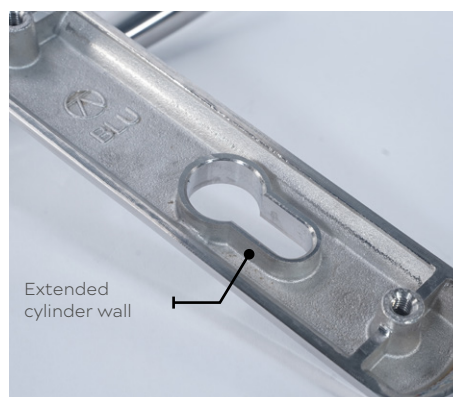

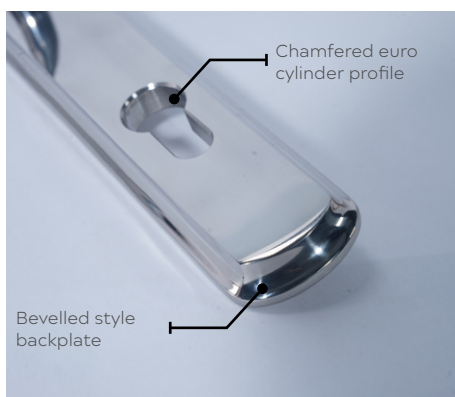

Designed for traditional doors for a classical look, it features a smooth, gently curved lever for a comfortable grip, mounted on a taller, slim backplate with chamfered edges.

PERA

Bulb End Lever Door Handle on Bevelled Backplate

- Refined, minimalist design – the smooth, curved handle offers a sleek, contemporary look
- Upgraded performance – fully sprung with a custom-made dual spring cassette for effortless operation
- Precision-built – CNC machined, manufactured from 316 marine grade stainless steel for superior strength and corrosion resistance, designed and built in the UK
- Enhanced security – the extended cylinder wall helps prevent water ingress and improves security
- Seamless coordination – available with matching window handles for a consistent aesthetic throughout your home or business

A beautiful handle, built to last, the Pera lever handle on bevelled backplate comes with a lifetime guarantee.

Matt Black Lacquer

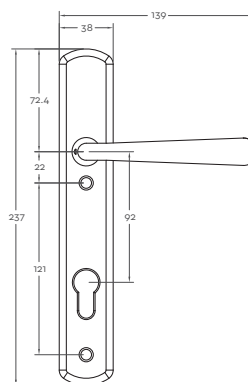

Matt Black Lacquer Finish

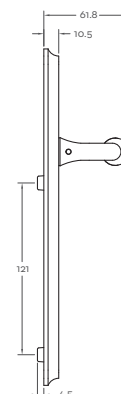

The matt black lacquer finish features a dual coating paint system with an automotive lacquer, giving improved longevity. Unlike regular powder-coated finishes, this advanced coating prevents dulling over time.

- UV tested to BS EN ISO 4892-2 for superior weather resistance
- Scratch tested to ISO 1518-1 for a hard-wearing finish
- Corrosion tested to BS EN 60068-2-11 to withstand harsh environments
