Shaping the future.

OPERA

Lever Door Handle on Backplate

Range		BLU HARDWARE
Product Code		TBH095
Material		316 STAINLESS STEEL

The Opera lever handle on backplate is a refined blend of classic elegance and modern precision.

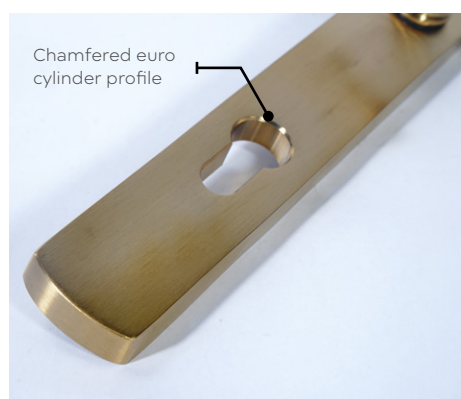

Designed to complement both traditional and contemporary doors, it features a tall, slim backplate with clean, modern edges and a bulb-shaped lever handle with concentric rings.

OPERA

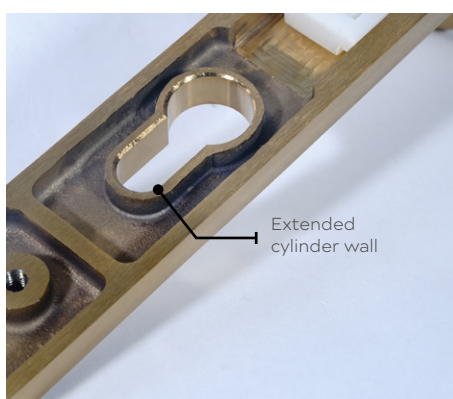

Lever Door Handle on Backplate

- Upgraded design – sleek, tall, and fully sprung with a custom-made dual spring cassette for smooth operation
- Timeless, rounded style – the bulb-shaped handle provides a comfortable grip and a sophisticated finish
- Built to last – CNC machined, crafted from premium 316 marine grade stainless steel and built in the UK for outstanding durability and corrosion resistance
- Enhanced security – an extended cylinder wall design helps guard against water ingress and tampering
- Seamless coordination – available with matching window handles and door furniture for a consistent style throughout your home.

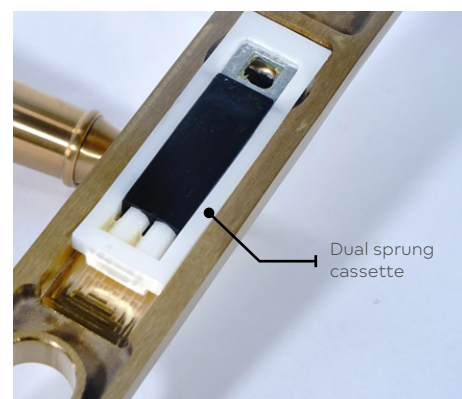

A timeless design, built for performance, the Opera lever handle on backplate comes with a lifetime guarantee.

TBH095-MBL
Matt Black Lacquer

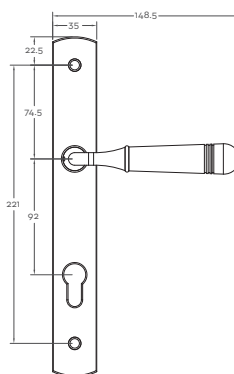

Matt Black Lacquer Finish

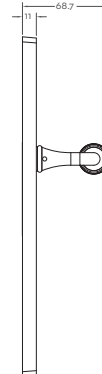

The matt black lacquer finish features a dual coating paint system with an automotive lacquer, giving improved longevity. Unlike regular powder-coated finishes, this advanced coating prevents dulling over time.

- UV tested to BS EN ISO 4892-2 for superior weather resistance
- Scratch tested to ISO 1518-1 for a hard-wearing finish
- Corrosion tested to BS EN 60068-2-11 to withstand harsh environments
