COMPRESSION WEATHERSEAL - TILT AND TURN

Product Code: SP103A

LIT-DC-SP103A

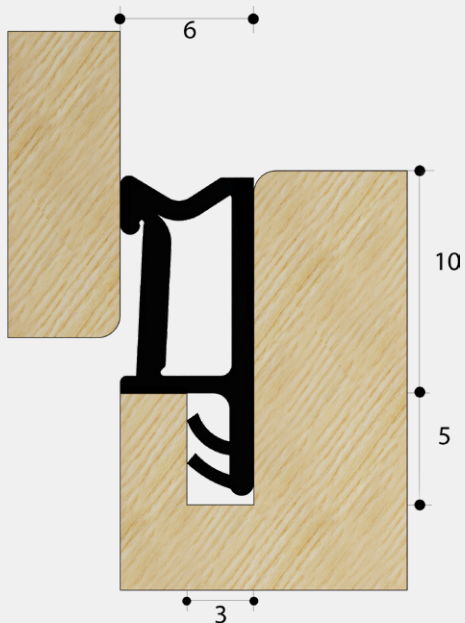

- This rebate compression seal is used in many door and window applications including the Winkhaus Tilt & Turn System
- The rigid back makes it quick and easy to install and prevents the seal from stretching
- High quality TPE closed-cell microfoam resistant to water absorption
- Only low compression required making it easy to close your door or window and reduce the pressure on your hardware
- Hollow chamber provides superior protection from wind, water and noise, enhancing the acoustic and thermal properties of your door or window
- Compatible with resin and acrylic paint
- UV, Ozone and Smoke resistant
- Excellent working temperature range of -40 C to +120 C.
- Cradle to Cradle certified seal making it environmentally friendly and fully recyclable
