OVAL ESCUTCHEON

Range		BLU HARDWARE
Product Code		KM045
Material		316 STAINLESS STEEL

A clean, contemporary oval escutcheon that neatly finishes and protects the euro cylinder cut-out, enhancing both the appearance and longevity of any modern front door.

OVAL ESCUTCHEON

Designed to deliver a refined finish with everyday durability, this oval escutcheon provides a subtle yet essential detail for modern doors.

- Contemporary oval escutcheon, suitable for euro profile cylinders
- Concealed fixings hidden behind a neat clip-on cover
- Manufactured from solid 316 Marine Grade Stainless Steel for strength and longevity
- Ideal for high-corrosion environments, including coastal locations and with acidic timber
- Part of a coordinated range of door and window hardware for a consistent appearance

Matt Black Lacquer

Matt Black Lacquer Finish

The matt black lacquer finish features a dual coating paint system with an automotive lacquer, giving improved longevity. Unlike regular powder-coated finishes, this advanced coating prevents dulling over time.

- UV tested to BS EN ISO 4892-2 for superior weather resistance
- Scratch tested to ISO 1518-1 for a hard-wearing finish
- Corrosion tested to BS EN 60068-2-11 to withstand harsh environments
