Handle Grip and Backplate:	High quality Zinc for all finishes
Coatings:	Hardex Chrome, Satin, Bronze, Gold, Antique Black and White

Standard Keep

Slimline Keep

Maintenance

For continued protection of the quality finish and appearance, routine cleaning of all our external hardware. Moving parts should also be lightly lubricated at least twice a year. This procedure is particularly essential if products are used within a 25-mile radius of coastal areas or close proximity to building sites or large industrial areas, where more frequent cleaning may be required to prevent the accumulation of corrosive contaminants.

Packaging

Handles

Individually bagged with screws and care instructions.
