

DEVENTER RANGE WIPING / COMPRESSION WEATHERSEAL

Product Code: SP5717

LIT-DC-SP5717

- The SP5717 is an excellent dual/wiping or compression seal from Deventer used in many door and casement window applications and as a secondary seal on stormproof or high performance flush windows
- The rigid back makes it quick and easy to install and prevents the seal from stretching
- Made from a high quality TPE closed-cell microfoam which is resistant to water absorption
- Only low compression required making it easy to close your door or window and reduce the pressure on your hardware.
- Hollow chamber provides superior protection from wind, water and noise, enhancing the acoustic and thermal properties of your door or window
- Compatible with resin and acrylic paint
- UV, Ozone and Smoke resistant
- Excellent working temperature range of -40 C to +120 C
