

# 3 STAR SECURITY EURO PROFILE THUMB TURN CYLINDERS

Product Code: KPT

LIT-DC-KPT

## *Cylinder Range*

- 3 Star High Security Euro Profile Double Cylinder
- Kitemark approved – TS007 3 Star, Class 6 Security Standard EN 1303, BS 3621 - Achieved highest grade 5 in EN 1670 Corrosion Resistance Test making it suitable for use in corrosive environments such as on the coast
- Anti-Snap - The front section of the cylinder is designed to snap off when forced, leaving the cylinder in place, and the door secure
- Anti-Pull - Advanced plug extraction protection
- Anti-Drill - High strength materials and a robust construction withstands prolonged drilling
- Crumple Zone - The cylinder will collapse to a predefined pattern when under attack, leaving the core mechanism intact and preventing forced override of the cylinder
- Grip Resistant - Prevents intruders wrenching the cylinder with grips
- Interlocking Cam - The cams within the cylinder are designed to interlock, providing a greater degree of security
- Anti-Bump - Resists 'bumping' - preventing inserting of an illegal key and tapping to release the cam and open the door
- 3-star cylinder Secured by Design accredited, SBD license held by Dormakaba
- Patent protected key blanks, preventing illegal key copying
- Provides 3 Star rating for your door whatever door handle you fit
- Available in Keyed Alike or Keyed to Differ with 2 keys and a security key card
