

COFIRM DOUBLE SIDED GLAZING TAPE

Product Code: CF16

LIT-DC-CF16

- CoFirm is a high performance double sided glazing tape
- Made from closed cell PE foam tape which is ideal for bonding difficult or dissimilar surfaces such as Durodeen beads, Georgian bars, Astragal bars, fixing beads and for fixing glass against the rebate
- Easy to apply
- High initial tack and greater long-term bond than many other glazing tapes on the market
- Resistant to UV exposure and temperature variations
- Resistant to stress and vibration
- Provides an excellent seal
- Successfully used in our Part Q Tests
