

LIFT & SLIDE CURVE2 DESIGN LEVER HANDLE / PULL SET

Product Code: LS1120Y

LIT-DC-LS1120Y

Straight Sliding Door Hardware Range

- Stylish modern design lift and slide handle.
- Set includes an internal lever handle and an external flush pull
- Manufactured from solid brass
- If a lever handle is required internally and externally (back-to-back fix) then order two handle sets plus a LS1120-BBFIX fixing kit
- If only fitting the internal lever handle then the LS1120-RN-SB rivet nut inserts are required (often used for instances where the sliding door leaves overlap like on Schemes E and L)
