

SENCO BOW PINNER 7MM

Product Code: TOOL-485

LIT-DC-TOOL-485

- Senco Bow Pinner glazing brad nailer
- Ideal for use with our Durodeen bead & Deventer gasket
- Easy side-loading that allows you to change brad length without adjusting tool, plus E-Z Clear jam clearance
- Reduces operator fatigue by its comfort-grip handle and the best balance and lowest recoil in the industry
- Superior power (40% more than comparable tools) makes it suitable for use on hardwood, softwood, and particleboard
- Oil-free design means easier maintenance and no lubrication to stain wood
- Precision-firing keeps work surface free of damage
- Rugged composition enables magazine to withstand on-the-job stress
- Requires minimum maintenance, with only two movable O-rings for virtually trouble-free upkeep
- Repair is easy, using only two Allen wrenches and the do-it-yourself SENCOS Parts Kit
- Comes complete in its own heavy-duty plastic case
- Muffler ensures quieter operation
- 5 year warranty
- Heavy Duty, but weighing only 1kg
- Oil free design - no lubrication to stain timber
- Easy to maintain and service
- Takes standard 18 gauge brass with a size rings of 16-41mm
