COASTAL

Shaping the future.

Our TVT Timber Veneer Vents can be sprayed, painted & stained to match your window before fitting

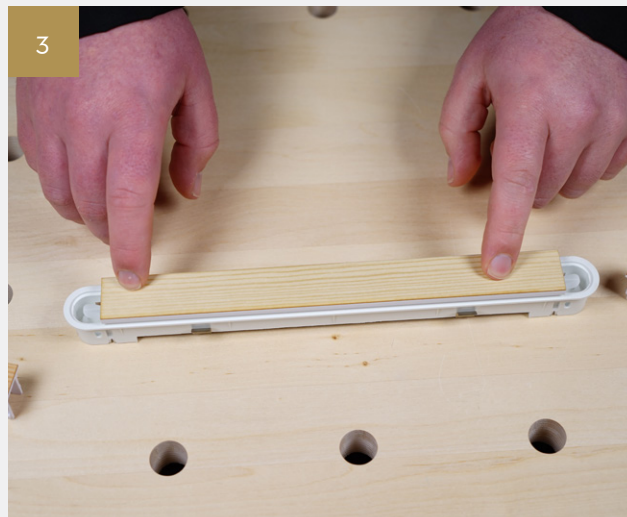

- Spray board tip: 19mm holes for end caps & double sided tape for vent covers

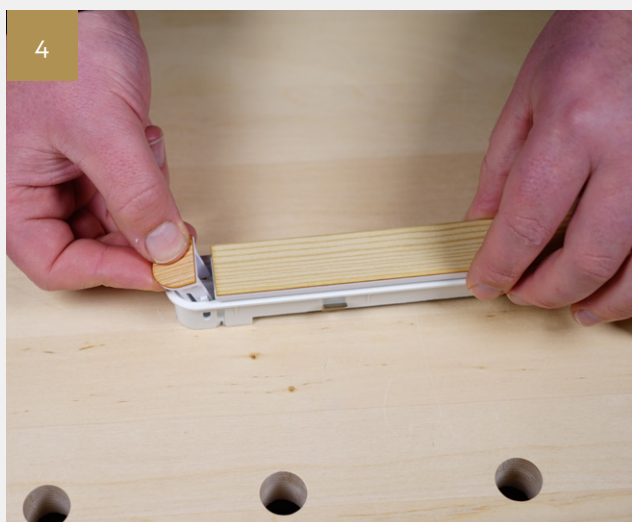

Remove the two end caps of the trickle vent by pushing the clip buttons on the side

Use an adhesive* on the trickle vent

Place your TVT Timber Veneer vent on the trickle vent

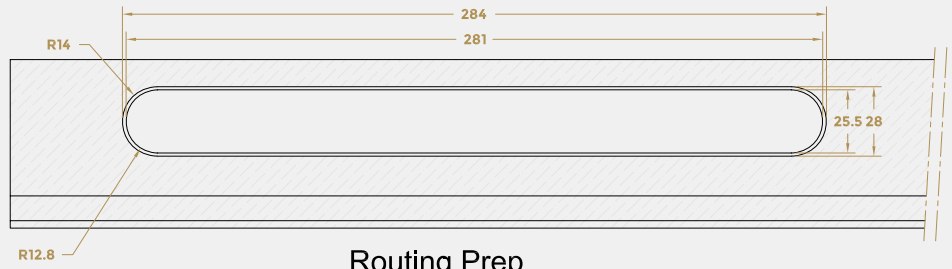

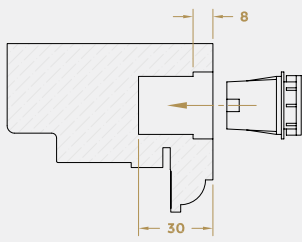

Clip in the two timber veneer end caps

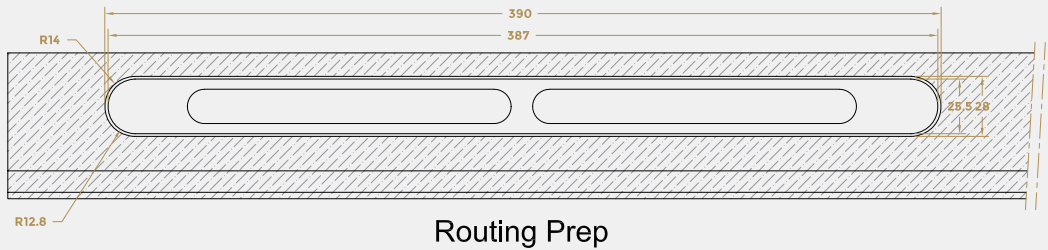

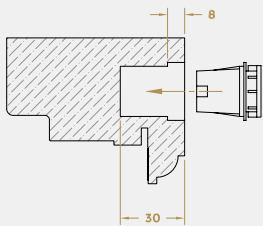

Your trickle vent is now ready to fit to your window

*Tested with Gorilla Super Glue Gel
